

Don's Club Meeting Minutes

10 September 2007

Call to Order: 6:08

Motion to approve minutes – Motion: Coach Mac 2nd – Evie Bernd Approved

Treasury Report:

- End of August \$11266
- Made ~\$1770 at snack shack. Deposit made on Sept 10 of \$1570 (\$200 kept for change in cash box). Paid out ~\$1300 for supplies to stock.
- Submitted paperwork with financial information to bank and to district – district may need more information but have not requested it yet

Membership:

- Approx. 75 members. Card will be done by Thurs/Fri games so they can be picked up at the snack shack
- Coaches were given free membership last year. Will continue on this year.

Football / Snack Shack:

- Need 3 tables – we may already have 2 that were borrowed by coaches. Need another Nacho Cheese heater, Broom/Dustpan, and Extra Propane tank.
- Need someone to complete a small plumbing project at snack shack – run pipes from the drain of the sink out the wall where it will connect to a hose.. Coach Mac will check with Coach Padia to see if he can do drill a hole through the cinder block wall for us.
- Fall ball wants to use the snack shack. They can use it but sell their own stuff out of a cooler.
- Possibly sell Tri Tip Sandwiches on Homecoming.
- A big track meet will be held at Del Mar on March 15th from 9-5. Don's Club can open the snack shack to make money. Also, will have Track Meets on Wednesday, Apr 30 and Friday May 2nd. Could possibly have a jamba juice fundraiser too – see Coach Chisim for details.

Misc:

- Coaches need funding request forms.
- Diane Gordon from board of Trustees introduced herself and gave an update on the lights for the bowl.
- Golf tournament date conflicts with big track meet being held here in may. Possibly move to Monday.
- Discussed banner program – since we don't have anyone to run it, just let individual sports sell banners but they are responsible for putting them up and down.
- 1856 productions (produce shirts, sweatshirts, caps, etc....) talked about fundraising by selling our merchandise. Don's Club will see what we have right now and the possibility of ordering something else to sell.
