

# **Don's Club Meeting Minutes**

24 January 2007

**Call to Order: 6:15**

## **Carnival:**

- Matthew talked to Mr. Russell about the possibility of a carnival. He is not willing to support it, the biggest concern would be gang activity.
- Joanna presented information from Butler Carnivals
- There was much discussion about a possibility of a carnival that would end early and be more family oriented – daytime only. Need to find out if the carnival company would even do that and whether that would be OK with Mr. Russell.
- People like the carnival because it involves the whole school more where as the golf tournament only appeals to a select group.
- Really decided this is something we should start looking at for next year since it is late to begin planning it for this year.

## **Golf Tournament:**

- Andy Masterbone has stepped forward to head up the golf tournament.
- Matthew will talk to him and get him started on talking to the golf course and getting the price for golfers so that we can start advertising and sign ups.
- Need to get a team together to work with Andy, Matthew to send out announcement to the Don's club members specifying the types of jobs that need to be done for the tournament and recruit volunteers.
